Product Description

✓ Scratch resistant, polycarbonate doors for high-traffic use
✓ Built-in digital keypad lock eliminates need for separate key or padlock
✓ Transparent doors for content visibility

Give your employees, students, and guests a secure place to store their belongings with this set of Global Industrial™ Clear View Lockers. Featuring scratch-resistant, transparent polycarbonate doors to permit the viewing of contents, these 16-person lockers are

engineered specifically for use in schools, commercial buildings, factory facilities, and more. Its steel surface, with an attractive & durable powder coat finish, ensures a long service life while the digital lock keeps contents safe. Ideal for accommodating a lot of people in a small area, these lockers have an included coat rod for additional garment storage. Easily programmable, the digital lock can be used in either Public mode for single-use passcodes or Private mode for longer-term individual use. No assembly required. Limited 1-Year Warranty. Patent Pending.

- Includes one battery & one master key per lock, and one blank number plate per door
- Overall Dimensions: 72"W x 18"D x 78"H
- Lockers must be anchored securely to floors. Mounting anchors/hardware sold separately
