Ships within 1 Business Day

Product Description

✓ Bright yellow finish with highly visible warning label
✓ Adjustable shelf allows for content versatility
✓ 18-gauge welded steel construction for lasting durability

Keep sensitive liquids off of countertops and open shelving with the Global Industrial™ Flammable Cabinet. Constructed from heavy-duty steel, this single-door cabinet has two

shelves, one of which is adjustable, to securely store up to 12-gallons of flammable liquids. Security features include a lockable paddle handle, a self-closing door, a compatible vent that connects to an exterior exhaust system, and a cap that helps contain fumes inside the unit. Ideal for any hallway, warehouse room, or other interior space, this cabinet is equipped with adjustable leveling feet to help accommodate a variety of indoor floor surfaces.

- Full-length piano door hinge
- Meets NFPA Flammable Liquid Code #30
- OSHA compliant & FM-approved
