Ships within 1 Business Day

Product Description

Heavy Duty Tire Rack
Starter Unit
Perfect for automobile and larger tractor trailer tires, the additional capacity of these racks comes from the formed horizontal Z-beams. Sturdy units do no need to be attached to walls. Boltless design allows horizontal beams to install easily without tools and to adjust in seconds at 2" increments. Heavy-duty 12-gauge beam connectors have 3 hooks at each end for positive connection. Uprights are 14-gauge steel measuring 1-3/4" x 1-3/4". Built for

Tires Only. Gray powder coat finish. Easy assembly.

Choose this **Starter Unit** for a free standing single display or extend with **Add-On Units** to create a row of any length.
