Global Industrial™ Mobile Computer Workstation, Black, Unassembled

★★★★★ (16)

Ships Same Day

Product Description

✓ Designed to hold CPUs, printers, & peripherals
✓ Locking keyboard drawer and front & rear access doors
✓ 20 ga powder coat steel housing with 5" casters

The unassembled, black Global Industrial™ Mobile Computer Workstation is designed to secure CPUs and peripherals to help protect your equipment & data from physical hazards,

vandalism, and hacks. A pull-out drawer holds keyboards & a mouse, an unsecured shelf under the keyboard is ideal for printers, and the lower compartment has a locking door & an adjustable shelf to securely hold CPUs. A suite of optional accessories, available separately, allow you to customize the cart to your specific needs. Assembly required. Limited 1-Year Warranty.

- 24-5/8"W x 22-7/8"D x 22-5/8"H lockable lower compartment
- Black powder coat finish is scratch- & corrosion-resistant
- Rear access holes for wires & cables
- Four 5" swivel casters, two locking
- 1-1/2"H side & back top lip prevents items from falling off
- Wrist rest on keyboard tray/drawer improves comfort
