Global Industrial™ Drywall Cart, 12"x48" Deck, 2,400 lbs Capacity

★★★★★ (16)

Ships within 1 Business Day

Product Description

✓ Structural struts provides extreme durability
✓ 12" deck depth
✓ Angled deck and tubular steel uprights are designed to prevent slippage

Open and indented frame design makes the Global Industrial™ Drywall Cart ideal for moving paneling, sheet rock drywall and plywood around tight corners. Heavy-duty 2,400 lb load capacity. The 1-¼" tubular 14 gauge steel frame surrounds the entire chassis for added

strength, and rounded corners help to prevent wall and doorway damage. The deck is angled and tubular steel uprights are designed to prevent slippage. Knock unit with minimal assembly required. 4" x 8" rubber flat free casters (4 swivel, 2 with brake. Smooth blue powder coat finish. 1-Year Limited Warranty.
