Global Industrial™ Double Arm Kit with 2 VESA Mounts For Orbit Workstation - Black

★★★★★ (0)

Backordered, expected around 01/17/2027

Product Description

Global Industrial™ ORBIT COMPUTER WORKSTATION COMPONENTS

Double LCD Monitor Arm Kit

Easily hold two flat panel LCD monitors on any Orbit Computer Workstation. The item uses standard VESA 75/100 mounting holes and holds LCD monitors from 10" to 30" and allows

easy monitor installation and tilt angle adjustments using a hand screw knob. The mount slides along included steel arm for easy adjustments and locks into place. Each arm features a single heavy duty hinge point for easy swing-action adjustments while mounted to Orbit Post (post sold separately). Arms can be mounted to same height on Orbit Post or varying heights to accommodate sitting and standing users.
