Global Industrial™ Orbit Mobile Powered Cart with 1280Wh Battery

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Portable lithium iron phosphate battery with an 8-hour run time
✓ Heavy-duty steel frame with a durable powder coat finish
✓ Swivel casters & built-in handles provide easy mobility transportation

Provide flexible mobility in the workplace with the Global Industrial™ Orbit Mobile Powered Cart. Constructed from heavy-duty steel, this cart comes equipped with a portable power system that can run a laptop, a small thermal printer, and a scanner for over eight hours at a

time. It effortlessly maneuvers on four 4" swivel casters, two of which are locking, and has a 200 lb. weight capacity. Ideal for data centers, large shipping warehouses, distribution centers, and more, this mobile cart features a durable center post with built-in cable management, a black laminate worksurface, an adjustable middle shelf, a bottom shelf, and a removable wastebasket. Limited 1-Year Warranty.

- Worksurface easily mounts at various heights
- Battery reaches a full charge in under 5 hours
- Simultaneously charges and discharges for uninterrupted power
- Optional accessories such as a CPU holder (752148BK), a locking keyboard drawer (706543BK), a scanner holder (436993BK), and a single monitor mount (670192) are sold separately
