Global Industrial™ Stretch Wrap Dispenser, Pistol Grip, For 15"-20"W Roll

★★★★★ (29)

Ships within 1 Business Day

Product Description

The stretch wrap dispenser is designed for stretch wrap on a 1-1/2" to 3" core. This deluxe extra heavy duty steel stretch wrap dispenser works with 15" to 20" high rolls. It features unique ball bearing friction adjustments provide smooth unwinding with consistent tension of wrap. Made of steel and high impact plastic, this lightweight compact stretch wrap dispenser allows for quick roll changeover and requires no operator training or tools. The convenient design stands upright by itself saving stretch wrap from tipping damage. The dispenser has

a highly visible orange color.
