Global Industrial™ 4' Outdoor Steel Flat Bench, Expanded Metal, Red

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Strong, lightweight expanded metal mesh promotes airflow
✓ Red thermoplastic coating resists corrosion, fading, & heat accumulation
✓ Includes stainless steel hardware & (7) plastic safety acorn caps

DESIGNED FOR OUTDOORS:
Ideal for any outdoor setting, including schools, camps, parks, corporate or hospital break areas, and any other outdoor environment requiring seating options. Smooth, glossy

thermoplastic exterior coating on the seat is UV-resistant to protect against fading, is engineered to withstand summer heat & winter cold, and is thermal-stable to stay comfortable even in direct summer sun.

COMFORTABLE SEATING:
The 4' long by 12" wide bench seat has a high 1000-pound weight capacity to allow multiple adults to comfortably sit. Beveled edges and rounded corners ensure a safe & comfortable experience. Bench height measures 18" from the ground to make it easy to sit down & stand up. The backless design allows visitors to sit on any side.

RESISTANCE TO THEFT & VANDALISM:
Welded mounting tabs on the frame allow the bench to be permanently anchored to concrete, asphalt, and other surfaces to deter theft. The open diamond pattern of the expanded metal makes an unappealing surface for graffiti and paint does not adhere well to the thermoplastic coating, making it easy to clean.

INDUSTRIAL STRENGTH:
This heavy-duty expanded metal mesh bench promotes airflow, prevents snow & dust accumulation, and limits standing water. The heavy-gauge galvanized tubular steel frame is finished in a corrosion-resistant black zinc-rich powder coat. Stainless steel hardware won't rust or corrode over time, and plastic protective acorn nuts keep dirt, dust, & water from penetrating the bolts while also preventing injuries from exposed bolt ends.

- Must be mounted with included tabs and hardware for safety & stability
- Limited 7-Year Warranty

Specifications

Weights & Dimensions

Length	48 in
Width	14-1/2 in
Height	18 in
Weight Capacity	1000 lbs
Seat Length	48 in
Seat Width	12 in

Seat Height	18 in

Product Details

Assembly Required	Yes
Type	Flat Bench
Frame Color Family	Black
Color	Red
Finish Type	Thermoplastic
Material	Expanded Metal
Frame Material	Steel
Arm Type	Armless
Manufacturers Part Number	695741RD
Mounting Style	Surface
Collection	Expanded Metal Collection
Brand	Global Industrial
