★★★★★ (0)

Backordered, expected around 12/28/2026

Product Description

✓ Heavy-duty Z-shaped base provides durability and stability
✓ Middle bar allows for extra hanging space
✓ 18-gauge steel construction for lasting durability

Keep garments neat, secure, and wrinkle-free with the Global Industrial™ Rolling Z-Rack with Middle Bar. Made from durable 18-gauge steel, this garment rack is designed to

securely hold large quantities of clothing without tipping or wobbling. It features a top rail with 500 lb. load capacity, a Z-shaped base for added stability, a 150 lb. load capacity middle bar for hanging shorter clothing, and four non-marking casters, two of which are locking. An ideal solution for department stores, retail stockrooms, laundry & dry cleaners, wholesalers, event halls, schools, theaters, and more, this unit is easy to set up and can be nested for fast, compact storage. Limited 1-Year Warranty.

- Tool-free assembly
- Moves easily on 4" non-marking casters
- Adjustable height provides content & application versatility
