Global Industrial™ Face Mask Ear Savers, Blue, 50/Bag

★★★★★ (0)

Ships within 1 Business Day

Product Description

Convenient and easily attachable to any face mask with ear loops - this is the face mask accessory you didn't know you needed until now. The Global Industrial™ Face Mask Ear Savers are made to alleviate ear pressure by acting as a central connection point for mask loops, resting flat along the back of the users head throughout the day. Multiple hook straps along the band provide options to comfortably adjust the fit of any attachable face mask. Ear saver bands are made of strong flexible plastic that adds very little weight when connected. Easily store them in bins, open face dispensers and other types of containers. 1 Year

Limited Warranty.
