Ships within 1 Business Day

Product Description

LUXOR HEAVY DUTY PLASTIC UTILITY CART

Durable polyethylene, reinforced cart is strong, yet lightweight; ideal for food service applications. Tray Top Shelves offer 2-3/4" deep trays to contain cargo during transport. Comfortable push handle has convenient cord wrap molded into top shelf. Rolls easily on durable 4" non-marring rubber swivel casters (2 with locking brakes). Easy, snap-together assembly. Optional 3 outlet electric assembly with 15' power cord is integrally molded into the push handle for convenient power for projects. Made in USA. **Lifetime Limited**
