Product Description

✓ Robust 16-gauge steel cabinet with adaptable accessories to fit your needs
✓ Convenient keyless digital lock offers simple, secure access
✓ Includes built-in 18-outlet power strip with a 15' cord and an integrated fan

The Global Industrial™ Electronic Locking Charging Cabinet, 48" x 24" x 78", is the ultimate organization solution for efficient storage and organization of tools, supplies, and other

materials. A built-in 18-outlet vertical power strip with 15' cord provides ample charging, while an integrated fan ventilates to protect electronics from heat and dust. Digital 3-point locking system with ergonomic keypad helps keep inventory secure. A programming bypass/master key is included. Flanged doors with heavy-duty piano hinges ensure security and smooth operation. Includes 5-3/8"L x 4-1/8"W x 3"H, 14-3/4"L x 8-1/4"W x 7"H, 14-3/4"L x 16-3/4"W x 7"H bins to hang from interior bin brackets.

Built for lasting performance, Configurable Cabinets feature heavy-duty, reinforced 16-gauge steel construction, premium welds, and a durable powder coat finish. Customize with a full line of compatible accessories: mobile trays, shelf packs, drawer kits, pegboard kits, wardrobe bars, roll out work surfaces, janitorial/combination kits, charging kits, and hanging bins. Proudly made in the U.S.A.
