Global Industrial™ Battery Powered High-Lift Skid Truck, 3300 lb. Capacity, 27"W x 44"L Forks

★★★★½ (6)

Ships within 1 Business Day

Product Description

✓ 3300 lb payload capacity
✓ Slip-resistant, ergonomic handle improves operator comfort
✓ Support legs automatically extend when in use for stability

Help limit or eliminate injury on the job in warehouses and distribution centers with this Global Industrial™ Battery Powered High-Lift Skid Truck. An ergonomic loop handle places all the controls within easy reach and is coated in a soft plastic material that minimizes

vibration and stays a comfortable temperature even in cold and hot conditions. Made of durable steel with red & black scratch-resistant enamel paint, this battery-powered jack truck raises single-faced pallets or skids up to 3300 lbs to a comfortable working height with ease. Limited 1-Year Warranty.

- 15-second lift time
- 3-1/2" lowered height, 31-1/2" raised height
- 3" load & 7" steer polyurethane wheels
- Includes a 12V battery & external charger
- Integrated battery level indicator
- 27"W x 44"L forks with 27" distance across forks
- No assembly required
