CONFIGURABLE CABINET PROGRAM

BY GLOBAL INDUSTRIAL™

Take control of your storage with our NEW Configurable Cabinets, designed to adapt to your ever-changing needs. Equipped with louvered panels for easy customization, these cabinets accommodate a wide variety of compatible accessories to support changing storage requirements. Choose from **Flush, Clearview, Electronic Locking,** or **Ventilated Doors**, and select either a stationary or mobile configuration to best suit your workspace. Available in **36" or 48"** widths with standard 78"H x 24" D footprint.

Built tough for long-lasting use, each cabinet features an **all-welded, heavy-duty 16-gauge steel construction** with a durable **gray or black powder coat finish** that stands up to demanding industrial environments.

Personalize your cabinet with our full line of accessories, including mobile trays, shelf packs, drawer kits, pegboard kits, wardrobe bars, rollout work surfaces, janitorial and combination kits, charging kits, and hanging bins. Swap, add, or rearrange accessories to create the perfect setup for your space.
