Global Industrial™ 50'L Contractor Self Retracting Lifeline, Galvanized Cable

★★★★★ (0)

Ships Same Day

Product Description

✓ 3/16" galvanized steel cable lifeline with load-indicating swivel snap hook
✓ Internal steel drum and inertial braking system
✓ Double-locking twist-lock anchorage carabiner

Equipped with glass-filled nylon housing for durable impact resistance the Global Industrial™ 50' L Contractor Self Retracting Lifeline is ideal for those working in

maintenance, bridgework, construction and manufacturing. The lifeline includes a recoil spring bumper to reduce retraction lock-up and a rugged internal steel drum and inertial braking system that will deliver reliable performance. Class 1 SRL. ANSI Z359.11-2021, CSA Z259.10-2018, OSHA 1926.502, OSHA 1910.140 compliant. 1-Year Limited Warranty.

- We've partnered with FallTech® to bring you the best in safety protection for you and your business.

Specifications
