Global Industrial™ Network Server Data Rack Enclosure Cabinet with Vented Doors, 37U, Assembled

★★★★★ (1)

Usually ships in 3 to 6 days

Product Description

Data Network Cabinet protects network servers and sensitive telecom equipment from unauthorized access, dust and damage. Rack cabinet supports rack-mountable servers and options. Heavy gauge steel data cabinet includes interior mounting channels and hardware. Front and rear locking doors and removable side panels permit full access and doors are perforated for ventilation. Includes 115 volt, UL listed power strip on mounting panel. Rack conforms to the industry standard for 19"W type A rack cabinets. Leveling feet. Black powder coat finish. Overall measures 24"W x 36"D x 72"H.

Cabinet ships fully assembled. Additional accessories require some minor assembly.

Features include:

- 29" rail to rail usable depth
- Semi-vented locking front door
- Fully perforated rear door
- Bottom panels removable for cabling
- 6 outlet power strip
- 110 lbs capacity per shelf, Total weight capacity: 1700-lbs. without casters, 700-lbs. with casters
