Ships Same Day

Product Description

Global Industrial™ 4 DRUM SPILL CONTAINMENT MODULAR PLATFORM

Spill Containment Platform features a low profile design for easier loading and unloading. Multiple modular Spill Platforms can be arranged in a countless number of configurations to meet your specific requirements using the integral sidewall channel connectors. Durable high-density polyethylene (HDPE) construction is impact resistant and is compatible with a wide range of chemicals. Removable poly grate allows for easy sump access and cleaning.

Spill pallet has a 65 gallon liquid capacity and 10,000 lb. load capacity. Unit includes fork pockets for easy 2-way forklift maneuverability. **1 Year Limited Warranty.**

Note: 4 Drum Platform is comprised of two 2 Drum Platforms.
