Global Industrial™ Outdoor Bottle Filling Station w/ Bi-Level Drinking Fountain, Stainless

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Simplified push button activation.
✓ Vandal-resistant bubblers.
✓ Corrosion-resistant 316 stainless steel withstands blazing sun and wet weather.

The Global Industrial™ Outdoor Bottle Filling Station with Bi-Level Drinking Fountain is a hydration upgrade in the right direction for both patrons and employees. This multi-

functional outdoor drinking station is perfect for either industrial parks or school recess yards. The upright fountain setup has two drinking fountains with bubblers and one bottle filling station. The drinking fountains each feature a hood-guarded bubbler to reduce contamination and tampering, while the bottle filler provides an environmentally-friendly solution to refilling reusable water bottles. Plus, no electrical power is required, keeping maintenance to a minimum.

- Refined stainless steel powder coat finish.
- Anti-theft screws secure components together.
- Quick refilling station provides minimal splash.
- Fountain is rated for inlet water pressure of 20-105 PSI.
- ADA compliant.
