Product Description

Standout Features:

✓ Easily stores and relocates heavy loads.
✓ Ideal for construction, warehousing, agriculture and lumber processing.
✓ Formed smooth edge around the top and pouring lip for added safety and strength.

The Global Industrial™ Medium Duty Self Dumping Forklift Hopper is built to handle heavy loads in your warehouse, stock center, and distribution center. This Hopper is perfectly balanced to roll forward when loaded, dump completely and automatically return to upright, locked position ready for reloading. Standard features include an easy-to-operate latching mechanism, and a safety chain is included that gets wrapped around the mast of the forklift to prevent the hopper from coming off the forks. Durable powder coat gray finish. 1 Year Limited Warranty.

- Extended sides prevent side-wise scattering of material.
- Safety chain included.
- Covers 1-1/2 Cu. Yd.

NOTE: OSHA requires contacting the manufacturer of your fork truck for written approval for the use of any fork truck attachments.
