Global Industrial™ Indoor Vertical Fat Tire Bike Rack, 4 Bike Capacity, Black

★★★★★ (0)

Ships Same Day

Product Description

✓ Vertical mount occupies less space.
✓ 4 fat tire bike mounts to hold up to 4 traverse-heavy bikes.
✓ Non-lockable design allows quick bike mounting and retrieval.

Tougher bikes with thicker tires need tougher storage mounts. Use the Global Industrial™ Indoor Vertical Bike Rack with 4 Fat Bike Mounts to keep fat-tired bikes out of the way while remaining in a stable, upright position. Whether it's a basement or storage shed, this bike

rack answers the demand for convenient indoor fat bike storage. The indoor bike rack requires 7' ceiling height and features a staggered design that minimizes handlebar interference. Anchor bolts not included. 1 Year Limited Warranty on rack frame only. Rack dimensions are: 72"W x 45"D x 84"H. Individual mount dimensions are: 5-1/8" W x 7-1/2" D x 59-1/10" H.

- Bike rack features a flange type mount for firm stability.
- Entire set is made of durable steel construction and coated in a traditional black finish.
