Product Description

Steel Folding Chair

These all-steel folding chairs are the highest quality and priced for exceptional savings. Durable 19 gauge steel chair features a heavy-duty 7/8" tubular steel frame with 2 welded leg braces to keep chair rigid and aligned. The back and seat are made of solid steel, and all surfaces are finished in a highly durable Opti-Bond™ powder coat finish. Contoured back for comfort. Safety hinges eliminate pinch points and retain their alignment for years of reliable folding. Maximum weight capacity is 300lbs. Sold 4 per carton - all of 1 color. **1 year limited warranty.**
