EXCLUSIVE BRANDS SALE

Global Industrial™ SDS Binder & Safety Station, 2" Binder

★★★★½ (2)

Ships Same Day

Product Description

✓ Includes binder, rack, and backerboard.
✓ Highly visible red, yellow, and orange design is easy to find.
✓ Surrounding backboard adds extra visibility.

Keep your SDS compliance center neat and readily available for quick access with the Global Industrial™ SDS Binder & Safety Station. Equipped with a durable wire basket, bright yellow design, and information on the properties of all hazardous chemicals, this setup is ideal for mounting in warehouses, chemicals plants, and information on the properties of all hazardous chemicals. A central reference point is key to helping your

employees take the proper protective measures and safety precautions for handling, storing, and transporting chemicals.

- Comes assembled.
