Product Description

The Marsh® manual stencil machine is used to cut -1/2" characters out of stencil board. The set includes 40 characters of A-Z, 0-9 and special characters. This hand-operated stencil machine is built for the long run and helps to make the stenciling process fast, easy and effective. The Marsh® stencil machine makes the cleanest cuts with no tearing or pulling. It always provides sharp, clear marks.

Features:

- Easy to read characters on the large, bold-character dial for error free operation
- Built to be solid and stable so it doesn't need to be bolted to the work surface
- Case-hardened dies have wear-resistant cutting edges

- Zinc alloy punch is stronger, last longer than steel, fits closer, cuts clean and is more corrosion-resistant
- Made in USA
- This product has a limited warranty of 18 months
