Global Industrial™ Orbit Mobile Powered Cart with 560Wh Battery

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Portable Battery with less than 5 hour charge time.
✓ Swivel caster wheels and built-in handles provide easy mobility transportation.
✓ Easily fit cables through the opening at the back of the work surface.

The Global Industrial™ Orbit Mobile Powered Cart with 25AH Battery is ideal for data centers, warehouses, manufacturing facilities, and industrial environments where employees are on the move between multiple areas. Portable battery powers a laptop, small

thermal printer and scanner for 8+ hours. It features a solid steel post and base to provide deft support along with a smooth black laminate work surface. The ample work surface is thick and easily mounts at various heights. Durable center post includes built-in cable management openings. Cart moves easily on caster base. Base features a wide shelf and 4" rubber casters (2 locking). Black powder coat finish. Easy assembly. **Please note that accessories depicted in the gallery images are sold separately. For details and purchase options, please refer to the listing below.**
