Nexel® Plastic Decanter, 64 oz, Orange

★★★★★ (0)

Ships within 1 Business Day

Product Description

✓ Bright orange handle & spout for easily identifying decaffeinated coffee
✓ Durable polycarbonate construction
✓ Large 64 oz. capacity for filling multiple cups

This Nexel® Decanter for decaf coffee is an ideal solution for restaurants, diners, convenience stores, offices, and breakrooms. Constructed from durable polycarbonate with a stainless steel base, this decanter has a large 64 oz. capacity and a waterfall pour spout

that allows servers to quickly fill patrons' coffee cups.

- BPA-free plastic
- Stainless steel base keeps coffee warm and conceals stains
- Can brew coffee directly into & serve from the decanter
