Global Industrial™ Premium Extra-Long Fork Manual Pallet Jack, 4400 lb. Cap., 27"W x 78"L Forks

★★★★★ (4)

Ships within 1 Business Day

Product Description

✓ 4400 lb. weight capacity
✓ Steel construction with durable powder coat finish
✓ 3-function hand control: Raise, Neutral, Lower

Ideal for use in construction, manufacturing, retail, and more, the Global Industrial™ Premium Extra-Long Fork Manual Pallet Jack is equipped with 78" long that allows users to

raise and lower specialized, extended-length pallets or skids weighing up to 4400-pounds. It is outfitted with an exclusive sealed, leak-proof Endura pump with a hardened chrome piston and ram for smooth, trouble free-operation.

A manual control for the hydraulic system & mobility improves reliability, reduces required maintenance, and eliminates the need for daily recharging. The smooth-rolling polyurethane steer and load wheels ensure floors remain unmarked and the spring-loaded, self-righting handle enhances comfort and ease-of-use. The steel forks are tapered to make entry onto pallets & skids easier and have a protective blue powder coat finish with a contrasting black finish on the handle. Limited 1-Year Warranty.

- 2-15/16" lowered height, 7-5/16" raised height
- Tapered 6"W x 78"L forks with 27" across forks
- Two 3" load roller & two 7" steer wheels
- 102.5° steering arc
