Model: WB988115

Pneumatic Tire Hydraulic Elevating Cart CART-PN-600 600 Lb. Capacity

★★★★½ (2)

Ships within 1 Business Day

Product Description

Roll Smoothly on Large Pneumatic Wheels Hydraulic Elevating Carts are ideal for lifting and transporting loads with ease. Large front and rear pneumatic (air-filled) tires roll smoothly, especially on rough surfaces. Manual foot pump operation features a hydraulic system that includes a soft-lowering descent valve to protect the load from jarring. Ergonomic handle includes a toolbox for convenient storage. Rugged welded steel construction features a powder coated blue finish.

Specifications
