Model: WB252699

Marsh® Manual Kraft Tape Dispenser For 1"-3"W Tape

★★★★★ (7)

Ships within 1 Business Day

Product Description

This tape dispenser ensures low downtime with the largest water bottle (70 oz) in the industry. It features a long life, accurate stainless steel dual edge cutter. The jam-free feed mechanism is quiet and low maintenance. The dispenser provides a cut length of 5" to 36" in one pull, longer lengths with additional pull. The 12 ga body has a powder coat finish. This dispenser accepts tape widths of 1" to 3". It is CSA, CE, ETL, ANSI and UL standard 60950 compliant. This product has limited warranty of 18 months.
