Product Description

✓ 5500 lb. weight capacity
✓ Steel construction with durable powder coat finish
✓ 3-function hand control: Raise, Neutral, Lower

Ideal for use in close quarters, the Global Industrial™ Premium Narrow Aisle Manual Pallet Jack is equipped with a strong & durable steel frame and forks that measure just 18” across that allows users to move & maneuver pallets or skids up to 5500-pounds through hard-to-

maneuver areas. This pallet jack features a steel roller chain mechanism, reinforced tapered forks, and a sealed, leak-proof exclusive Endura pump with a hardened chrome piston and ram for smooth, trouble-free operation.

A manual control for the hydraulic system & mobility improves reliability, reduces required maintenance, and eliminates the need for daily recharging. The smooth-rolling polyurethane steer and load wheels ensure floors remain unmarked and the spring-loaded, self-righting handle enhances comfort and ease-of-use. Limited 1-Year Warranty.
