Product Description

✓ Tubular steel frame for long-lasting performance
✓ Positive ratchet assembly ensures loads are secured
✓ Easy-rolling ball bearing wheels promote mobility

Quickly and safely move appliances and equipment around with the Global Industrial™ 2-Wheel Professional Appliance Hand Truck. This stair-climbing hand truck includes smooth-

rolling continuous-belt stair climbers and a nylon belt that won't scratch load surfaces. Its high-strength tubular 17-gauge steel frame with double-welded joints make it the professional's choice in appliance hand trucks. A positive ratchet assembly ensures your loads stay secure, while the non-marring rubber prevents damage to contact surfaces.

- 2-wheel flat ground weight capacity: 750 lbs.
- Stair-climbing weight capacity (continuous belt): 400 lbs.
- Capacity ratings are based on evenly distributed loads under controlled operating conditions
