Global Industrial™ Capital® 6-Tier 6 Door Box Locker, 12"W x 18"D x 78"H, Tan, Assembled

★★★★★ (9)

Usually ships in 3 to 6 days

Product Description

Engineered for years of heavy-duty service. These lockers feature 16 gauge steel doors, 5-knuckle security hinge and welded, reinforced frame-and-door assemblies for maximum security. These six tier lockers feature a padlockable friction latch and hasp closure. Louvers promote ventilation. Legs add 6" to height. Durable, attractive powder coat finish. Lockers feature finished sides; no need for decorative end panels. Lockers must be anchored securely to floors. 1-wide and 3-wide lockers have four foot plates included. Foot plates bolt to outside locker leg supports and maybe anchored to the floor. Anchors sold separately.

Includes blank number plates. Pull Bracket not included. Assembled lockers are not returnable.

Optional locker accessories (Numbered Plates, Closed End Bases, Slope Top Kits and Locks) sold separately. Due to various layouts you may select, locker accessories ship in a separate box. Install Numbered Plate by simply removing the blank number plate.
