Product Description

Backed by a **2 Year Limited Warranty**. These Premium Security Lockers' doors permit viewing of contents through transparent, scratch resistant and highly rugged polycarbonate windows engineered specifically for use in school, commercial and factory facilities. Legs add 6" to height. These Triple Tier Locker doors feature steel with polycarbonate windows and are equipped with stainless steel recessed handles and padlockable gravity latches. All steel surfaces are finished in rugged Tan enamel. Recessed handles provide a catch-free surface, discourage tampering with padlocks and protect locker face from padlock wear.

These triple tier lockers are ideal for added storage of personal items where space is limited.

Antimicrobial Recessed Handle Finger Lift Cover, includes an Antimicrobial agent offering protection against, molds, bacteria and some viruses without compromising functionality, strength or durability.

Includes Blank Locker Number Plates (Installation Required). **Made In USA**
