Global Industrial™ 5 Shelf, Commercial Duty Boltless Shelving, Starter, 36"W x 18"D x 60"H, Duradeck

★★★★★ (1)

Backordered, expected around 01/17/2027

Product Description

✓ Double rivet beams on the top & bottom levels for added stability
✓ Single rivet beams on the middle shelf provide reliable support
✓ Assembles easily without the use of nuts, bolts, or clips

The 36"W x 18"D x 60"H Global Industrial™ Commercial-Duty Boltless Shelving Starter Unit is a practical, space-saving solution for creating a more organized storage environment. Made from durable roll-formed steel with a chip-resistant gray enamel finish, this 5-shelf unit

features a boltless design for quick, hassle-free assembly and provides four-sided access to stored items for maximum flexibility. Its heavy-duty frame includes 14-gauge steel uprights punched on 1½" centers with single rivet horizontal beams on the middle shelf and double rivet beams on the top & bottom levels for added stability. The rivet button stud construction securely locks perimeter beams into the corner posts, forming a stable joint that helps eliminate back and side sway. Each adjustable shelf is fitted with Duradeck decking, a smooth, non-porous surface that wipes clean easily, making it ideal for healthcare and food service applications.

- Pre-sized panels for seamless installation
- Ideal for any industry where cleanliness is essential
- Supports up to 400 lbs. per level when evenly distributed
- Shelves adjust in 1½" increments
- Open design allows four-sided access to stored items for maximum flexibility
- Can be extended with add-on units for additional storage space
