Global Industrial™ Heavy-Duty Electric Adjustable Workbench, 72 x 30", Laminate Safety Edge

★★★★★ (0)

Backordered, expected around 01/28/2027

Product Description

✓ Rugged Heavy-Duty tubular steel 4-leg frame adjusts from 28" to 40" in height
✓ Includes programmable heights & easy push-button control
✓ Easy ergonomic adjustment to fit the workers best workable height

Improve circulation and help reduce fatigue with the Global Industrial™ Electric Adjustable-Height Workbench. The tubular 4-leg frame design adjusts from 28" to 40" in height allowing

users to choose whether they want to sit or stand during their workday, or just reach the workable height custom to them. The 24V DC motor adjusts height at 6cm/sec or 2.3+"/sec, allowing to reach your required work height easy and efficiently. Ideal for repair and assembly areas with multiple shifts, this workbench, with high pressure plastic laminate top over particle board for a clean look surface, minimizes bending and stretching unnecessarily while the safety edge design helps prevents bodily injury. Surface measurements: 72" x 30". UL and CSA certified. 1-Year Limited Warranty.

- Frame color: Blue
- Weight capacity: 1000 lbs.
- Table top thickness: 1-5/8"
