Product Description

The cost-effective solution when you're looking for **heavy duty metal storage racks** to handle hand-loaded materials. This **Add-On Unit** includes 1 upright frame, 3 shelf levels and 5/8" thick particle wood deck. These **bulk storage racks** offer almost twice the capacity per level as standard bulk racks thanks to the formed step beam frame. Beams attach to frame in seconds without tools. The 14-gauge upright steel frame measure 1-3/4" x 1-3/4" and allows beam adjustment easily on 2" centers. Heavy-duty 12-gauge beams have 3

hooks at each end for positive connection. 18" deep models do not include deck supports. Also available with wire or steel deck, or rack unit alone (supply your own deck).
