Global Industrial™ Pedestal Wash Fountain, 2 Station, Foot-Operated

★★★★★ (0)

Ships Same Day

Product Description

✓ Foot-operated pedal allows touchless operation
✓ Durable high-density polyethylene rotocast material
✓ Attractive granite-like finish blends well in industrial spaces

The Foot-Operated Global Industrial™ Pedestal Wash Fountain is conveniently built to help wash the dirtiest and grimiest hands without direct contact. Use this hands-free wash fountain for restrooms in warehouses, manufacturing facilities, food processing plants, and

other commercial and industrial areas that need a convenient washing station. Pedetal-mounted for minimal space occupancy. Features two stations, allowing multiple users to wash hands at the same time. This unit is engineered for installation on various surfaces allowing proper anchorage and is only suitable for indoor locations. Heavy-duty mounting hardware included.
