Global Industrial™ Reflective Delineator Post with Hexagonal Base, 49"H, Lime Green

★★★★★ (0)

Ships Same Day

Product Description

✓ Anti-corrosive and durable
✓ Nestable base for more compact storage
✓ Colors help you to customize your zones

Designate walkways around hospitals, schools, and warehouses with the portable Global Industrial™ Reflective Delineator Post with Hexagonal Base. Finished with 3" reflective strips, these posts are highly visible and ideal for use in parking areas and various work

zones. The snug-fitting rubber base allows for multiples delineators to be nested when not in use, making them easy to store. 1-Year Limited Warranty.
