Global Industrial™ Flammable Cabinet, Manual Close Double Door, 90 Gallon, 43"W x 34"D x 65"H

★★★★★ (36)

Ships within 1 Business Day

Product Description

✓ Yellow powder-coated finish & radius edges provide additional safety
✓ 350 lb. capacity shelves adjust easily on 2-1/2" centers
✓ Flush door handle prevents employees from catching or banging into cabinet

Provide additional fire protection in your workspace with the Global Industrial™ Flammable Cabinet with Manual Close Doors. Featuring an all-welded construction for long-lasting

durability, this 18-gauge steel cabinet with 14-gauge steel doors has three shelves, two of which are adjustable, to safely store up to 90-gallons of flammable liquids. The double-walled design allows for 1-1/2" of insulating air space, while the dual 2" air vents connect to exhaust systems to maintain safe temperatures. This unit is equipped with 4" hinges with sturdy brass pins and a spill-proof sill for convenient spill management. Limited 12-Year Warranty.

- Meets NFPA Flammable Liquid Code #30
- OSHA compliant & FM-approved
- Includes a highly visible trilingual warning label, a built-in grounding connector, & leveling feet
- Cabinet doors will only latch when they are manually closed
- Some states and municipalities may require self-closing doors on flammable safety cabinets; please review your local ordinances prior to purchasing
