Product Description

Keep it versatile Cabinetry is formed from compressed wood with laminate finish with a solid fiberboard back for strength and rigidity. The strong hardboard shelves form basic letter-sized compartments that adjust to increase the size of individual compartments for storage of books, 3-ring binders or personal mementos. Includes a metal rod adapter to store and organize CD's in the bottom two compartments. Black plastic molding complements finish while doubling as a convenient labeling area (labels are included).

Made in the USA.
