Product Description

The cost-effective solution when you're looking for **heavy duty metal storage racks** to handle hand-loaded materials. **Starter Unit** includes 2 upright frames, 3 shelf levels and 5 deck supports per level. These **bulk storage racks** offer almost twice the capacity per level as standard bulk racks thanks to the formed step beam frame. Beams attach to frame in seconds without tools. The 14-gauge upright steel frame measures 1-3/4" x 1-3/4" and allows beam adjustment easily on 2" centers. Heavy-duty 12-gauge beam connectors have

3 hooks at each end for positive connection. Choose from wire, wood or steel deck (sold separately).
