Ships within 1 Business Day

Product Description

✓ Includes eye bolt, restraint belt, and handle attachment
✓ Tilt design enables swift turning
✓ Moves heavy loads up to 6000 lbs.

Simplify moving pallets around your facility with the Global Industrial™ 48" x 48" Aluminum Pallet Dolly, a pallet mover that's a great alternative for moving pallet loads quickly without

the need of a material-handling vehicle. This versatile, aluminum pallet dolly features flexible Tilt Rollers, making it ideal for a variety of warehouses, delivery centers, distribution centers, and small-medium-large businesses/stores. Open-deck design allows easy access to pallets. Rounded corners for added safety. 1-Year Limited Warranty.
