Global Industrial™ Carton Flow Rack, 4 Levels, SpanTrack Lane, 48"W x 96"D x 96"H

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

✓ Provides 300% more product contact than plastic wheel
✓ Integrate label-holder system
✓ Optimized for product stacking

Increase the flow of your product orders and allow for more storage flexibility with the 4-level Global Industrial™ Carton Flow Rack. This rack is fully customizable-if you need a different size, special configuration, or additional accessories we can provide that. You will have the

capability to store products, of different sizes and weights. Each rack can be added to an existing pallet rack, and requires no shelves or intermediate support. Ideal for active warehouses and assembly plants, the carton flow rollers provide the most surface contact, eliminating hang-ups on the track and increasing throughput. 7-Year Limited Warranty.

Key Features:

- Drop-in design for easy installation
- Freezer/cooler rated to below zero
- Integrated label holder system
- Optimized for product stacking

If you have any additional questions about customizing your Carton Flow Rack, you can reach out to your account manager.
