Increase productivity & reduce strain with the Global Industrial™ Self-Propelled Electric Pallet Jack Truck. Equipped with polyurethane drive and load wheels, this electric pallet jack

rolls smoothly on surfaces in warehouses, grocery stores, and distribution centers. With just the push of a button, it smoothly lifts and lowers pallets & skids up to 4000-pounds. Maintenance-free AGM batteries power the high-torque 24V DC drive & lift motors that allows operators up to 4 hours of service per charge. When needed the batteries are recharged using an integral 120V AC charger. Limited 1-Year Warranty.
