Product Description

ADJUSTABLE PANEL & SHEET MOVER TRUCK

Expandable Frame Capacity to Suit Your Needs!

Upright 1-3/16" dia. pipe frames are available in three different heights to allow easy access of cargo, while keeping materials upright. Uprights adjust on 3-1/2" increments. **(Upright**

frames sold separately.) 7 available socket positions. Truck platform is constructed of strong angle iron frame with rounded safety edges finished in scratch resistant blue enamel. Rugged 3/4" thick plywood deck has a durable lacquer finish. Rolls smoothly on 2 swivel, 2 rigid casters. Assembles easily.
