Ships within 1 Business Day

Product Description

Global Industrial™ workbenches are built to give you years of dependable performance, withstand years of heavy-duty use. 1-1/2" thick **Shop Top** is an economical and durable top, constructed of a high density particleboard core with clear lumbar edging and faced with 3/8" thick hard 62 lb. density custom resin board. Sanded smooth surface sealed for moisture resistance. **Adjustable Height Legs** feature removable duplex knockouts on front and rear for installation of either a hard wired electrical outlet or an optional plug-in outlet

that easily screws into place with no wiring necessary. Legs and all steel parts are undercoated for rust resistance and finished with scratch resistant Black powder coat. Bench height adjusts at 1-1/2" increments. **Steel Drawer** features a safety stop to prevent accidental spilling. Drawer has 2 mounting angle brackets for easy work bench installation on either the left or right hand side. Recessed handle with padlockable hasp for added security (lock sold separately). Measures 18-1/4"W x 23-7/8"D x 5-3/8"H. **Back and End Stops** keep nuts, bolts, screws and other small parts and tools confined to the work surface, prevent them from rolling away. **Riser Shelf** provides added work space and keep your workspace less cluttered. Riser shelf measures 10-1/2"D x 12"H with a 2" backstop to prevent items from falling. **Bench stringer** added stability, comes with mounting hardware to assemble legs to the bench top. Easy assembly.

Bench Includes:

- Lockable Drawer
- Steel Riser
- Back & End Stops
- Bench Stringer
