★★★★★ (18)

Ships within 1 Business Day

Product Description

✓ 3300 lb. weight capacity
✓ Variable-speed with automatic safety release braking system
✓ Multi-function hand control provides access to all functions

Increase productivity & reduce strain with the Global Industrial™ Self-Propelled Electric Pallet Jack Truck. Equipped with polyurethane drive and load wheels, this electric pallet jack rolls smoothly on surfaces in warehouses, grocery stores, and distribution centers. With just

the push of a button, it smoothly lifts and lowers pallets & skids up to 3300-pounds. Dual 12V, 65 AH batteries power the system with an integral 120V AC charger with included three prong charging cord allows operators close to 5 hours of service per charge. Limited 1-Year Warranty.

- 6"W x 45"L forks with 27" across forks
- Keyed switch limits access to approved personnel
- 2.5 MPH top loaded speed, 2.8 MPH top unloaded speed
- 3-1/8" lowered height, 7-1/2" raised height
- Two load and one drive non-marking or marring polyurethane wheels
- 58-1/2" turning radius
- On-board document holders, cup holder, and phone holder
- No assembly required
- Not for use on inclines or declines greater than 2°

Note: This unit is not recommended to run in temperatures lower than 40°F or higher than 105°F
