Product Description

Cell Phone Storage Lockers Provide A Convenient, Secure, Space Saving Solution For Storing Electronic Devices Safely. Cell Phone Lockers are made of 21 gauge steel doors and 20 gauge body with black powder coat finish for long lasting durability. Mounted to the wall for ease of use, or placed on any flat surface, **suggested to fasten to a wall to prevent tipping.** Lockers equipped both **padlockable hasp** (padlock sold separately) and **key lock** provide high security. 8 sets of 2 keys per door; each door is keyed differently. Management has master key set to allow immediate access to all locker compartments as

needed. Cell phone lockers are ideal for military facilities, law enforcement, government contractors, fitness clubs, swimming pools, health care and schools to securely store cell phones, tablets, wallets, sun glasses, keys and other personal items. Blank metal number plates, hardware and mounting brackets included. Ships fully assembled.
