Ships within 1 Business Day

Product Description

✓ Portable lithium iron phosphate battery with an 8-hour run time
✓ Heavy-duty steel frame with a durable powder coat finish
✓ Rolls smoothly on 5" swivel casters

Provide flexible mobility in the workplace with the Global Industrial™ Mobile Powered Laptop Cart. Constructed from heavy-duty steel, this cart comes equipped with a portable

power system that can run a laptop, barcode printer, and scanner for over eight hours at a time. It effortlessly maneuvers on four 5" swivel casters, two of which are locking, and has a 330 lb. weight capacity. Ideal for data centers, large shipping warehouses, distribution centers, and more, this mobile cart features three shelves, a removable wastebasket, five electrical outlets, and two USB ports. Limited 1-Year Warranty.

- The distance between the middle shelf and the top shelf is 16.5 "
- Battery reaches a full charge in under 5 hours
- Optional accessories such as a slide-out printer tray (436995BK), a keyboard tray (436994BK), a scanner holder (436993BK), and a single monitor mount (670192) are sold separately
- Portable power system can be used while charging
