Global Industrial™ Pallet Rack Wire Decking, 46"W x 42"D (2200 lbs cap) Gray

★★★★★ (0)

In Stock, Ships in 3-4 days

Product Description

Strong, 2-1/2" x 4" wire decking features welded construction and 14-gauge channel supports. Unlike wood or metal decking, wire permits light, air and sprinkler penetration; allows a clear view of upper tiers; and minimizes dust and debris accumulation. Easy installation - simply drop into place over beams. Use with beams that have 1-1/2" or 1-5/8" step. 2083 lb. capacity. Oven baked gray enamel finish.

To order:

Measure beam length between uprights (left to right)
Measure beam depth overall (front to back)
Measure depth between beam steps (front to back)
